#### WAR NEWS,

Of any importance, is about played out. The Conthieveracy having collapsed, of course accounts of battles, nieges or marches are no longer furniched by army correspondents. If it were otherwise, we should hardly be able to procure it in Gallipolis, antil two weeks old. Our mail facilities are hardly equal to those allowed us forty years ago, when Chilicothe was the nearest point on any leading mail route. Now that we are within 28 miles of a railroad a mail twice a week both ways, is about a fair average, and for even that we have a should hardly of Mr. Lincoln with flowers.
